### A Sales Tip!

A number of our retail outlets last year, came up with a good ideal, to provide their customers with ideal cards for sending to relatives living away from home – They overprinted a number of Christmas cards with the name of local towns and villages and these sold very well.

One retail outlet even went as far as using Cards C733 and C737 with the name of a number of local places and placed them in their main Christmas Card stand.

***Happy Christmas to you all  
from the NameCards4u.com Team***
